Notice of Annual Meeting of Shareholders

April 17, 2018

Dear Shareholder:

You are cordially invited to attend our Annual Meeting of Shareholders (the "Annual Meeting"), which will be held on Wednesday, May 30, 2018 at 9:00 a.m., Eastern Time, at our principal executive offices located at 301 Riverside Avenue, Second Floor, Westport, Connecticut 06880.

The proxy statement contains important information about the Annual Meeting, the proposals we will consider and how you can vote your shares. The Securities and Exchange Commission has adopted a "Notice and Access" rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice of Internet Availability, to shareholders in lieu of a paper copy of the proxy statement and related materials and the Company's Annual Report to Shareholders, which we refer to as the Proxy Materials. The Notice of Internet Availability provides instructions as to how shareholders can access the Proxy Materials online, contains a listing of matters to be considered at the meeting and sets forth instructions as to how shares can be voted. Shares must be voted either by telephone or online or by completing and returning a proxy card. **Shares cannot be voted by marking, writing on and/or returning the Notice of Internet Availability. Any Notices of Internet Availability that are returned will not be counted as votes.** Instructions for requesting a paper copy of the Proxy Materials are set forth on the Notice of Internet Availability.

Your vote is very important to us. We encourage you to promptly vote your shares either by telephone, online or, if you received paper copies of your proxy materials in the mail, by completing, signing, dating and returning the enclosed proxy card, which contains instructions on how you would like your shares to be voted. **Please submit your proxy regardless of whether you will attend the Annual Meeting.** This will help us ensure that your vote is represented at the Annual Meeting. Signing this proxy will not prevent you from voting in person should you be able to attend the meeting, but will assure that your vote is counted, if for any reason, you are unable to attend.

On behalf of the board of directors and the management of Compass Group Diversified Holdings LLC, I extend our appreciation for your investment in Compass Diversified Holdings. We look forward to seeing you at the Annual Meeting.

Sincerely,

C. Sean Day
Chairman of the Board of Directors

**PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS**

This proxy statement is being furnished in connection with the solicitation of proxies by the board of directors of Compass Group Diversified Holdings LLC, a Delaware limited liability company, which we refer to as the Company, for the 2018 Annual Meeting of Shareholders of Compass Diversified Holdings, which we refer to as the Trust, to be held on Wednesday, May 30, 2018 at 9:00 a.m., Eastern Time, at our principal executive offices located at 301 Riverside Avenue, Second Floor, Westport, Connecticut 06880 and for any adjournment(s) or postponement(s) of the 2018 Annual Meeting of Shareholders. We refer to the 2018 Annual Meeting of Shareholders as the Annual Meeting. The notice of Annual Meeting, proxy statement and proxy are first being mailed or provided to shareholders on or about April 17, 2018.

PURPOSE OF MEETING

As described in more detail in this proxy statement, the Annual Meeting is being held for the following purposes:

- to elect two directors to the Company's board of directors as Class III directors for a three-year term ending at the 2021 Annual Meeting of Shareholders;
- to approve, on a non-binding and advisory basis, the resolution approving the compensation of our executive officers as disclosed in the proxy statement;
- to ratify the appointment of Grant Thornton LLP to serve as the independent auditor for Compass Diversified Holdings and Compass Group Diversified Holdings LLC for the fiscal year ending December 31, 2018; and
- to transact such other matters as may properly come before the meeting and any postponement(s) or adjournment(s) thereof.

ATTENDING AND VOTING AT THE ANNUAL MEETING

Broadridge Corporate Issuer Solutions, which we refer to as Broadridge, has been selected as our inspector of election. As part of its responsibilities, Broadridge is required to independently verify that you are a shareholder of the Trust eligible to attend the Annual Meeting, and to determine whether you may vote in person at the Annual Meeting. Therefore, it is very important that you follow the instructions below to gain entry to the Annual Meeting.

Notice and Access

The Securities and Exchange Commission, which we refer to as the SEC, has adopted a "Notice and Access" rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice of Internet Availability, to shareholders in lieu of a paper copy of the proxy statement and related materials and the Company's Annual Report to Shareholders, which we refer to as the Proxy Materials. The Notice of Internet Availability provides instructions as to how shareholders can access the Proxy Materials online, contains a listing of matters to be considered at the meeting and sets forth instructions as to how shares can be voted. Shares must be voted either by telephone, online or by completing and returning a proxy card. **Shares cannot be voted by marking, writing on and/or returning the Notice of Internet Availability. Any Notices of Internet Availability that are returned will not be counted as votes.** Instructions for requesting a paper copy of the Proxy Materials are set forth on the Notice of Internet Availability.

Important Notice Regarding Availability of Proxy Materials for the Annual Meeting to be Held on May 30, 2018:

The Proxy Materials are available at www.proxyvote.com. Enter the 12-digit control number located on the Notice of Internet Availability or proxy card.

Check-in Procedure for Attending the Annual Meeting

Shareholders of Record. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a shareholder of record or you represent a shareholder of record.

- *Individuals.* If you are a shareholder of record holding shares in your own name, you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport). Trustees who are individuals and named as shareholders of record are in this category.
- *Individuals Representing a Shareholder of Record.* If you attend on behalf of a shareholder of record, whether such shareholder is an individual, corporation, trust or partnership:
 - you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport); AND
 - either:
 - a letter from that shareholder of record authorizing you to attend the Annual Meeting on their behalf; OR
 - **we must have received by 5:00 p.m., Eastern Time, on May 29, 2018** a duly executed proxy card from the shareholder of record appointing you as proxy.

Beneficial Owners. If your shares are held by a bank or broker (often referred to as "holding in street name") you should go to the "Beneficial Owners" check-in area at the Annual Meeting. Because you hold in street name, your name does not appear on the share register of the Trust. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a beneficial owner or you represent a beneficial owner.

- *Individuals.* If you are a beneficial owner, you must bring to the Annual Meeting:
 - a form of government-issued photo identification (e.g., a driver's license or passport); AND
 - either:
 - a legal proxy that you have obtained from your bank or broker; OR
 - your most recent brokerage account statement or a recent letter from your bank or broker showing that you own shares of the Trust.
- *Individuals Representing a Beneficial Owner.* If you attend on behalf of a beneficial owner, you must bring to the Annual Meeting:
 - a letter from the beneficial owner authorizing you to represent its shares at the Annual Meeting; AND
 - the identification and documentation specified above for individual beneficial owners.

Voting in Person at the Annual Meeting

Shareholders of Record. Shareholders of record may vote their shares in person at the Annual Meeting by ballot. Each proposal has a separate ballot. You must properly complete, sign, date and return the ballots to the inspector of election at the Annual Meeting to vote in person. To receive ballots, you must bring with you the documents described below:

- *Individuals.* You will receive ballots at the check-in table when you present your identification. If you have already returned your proxy card to us and do not want to change your votes, you do not need to complete the ballots. If you do complete and return the ballots to us, your proxy card will be automatically revoked.
- *Individuals Voting on Behalf of Another Individual.* If you will vote on behalf of another individual who is a shareholder of record, **we must have received by 5:00 p.m., Eastern Time, on May 29, 2018** a duly executed proxy card from such individual shareholder of record appointing you as his or her proxy. If we have received the proxy card, you will receive ballots at the check-in table when you present your identification.
- *Individuals Voting on Behalf of a Legal Entity.* If you represent a shareholder of record that is a legal entity, you may vote that legal entity's shares if it authorizes you to do so. The documents you must provide to receive ballots at the check-in table depend on whether you are representing a corporation, trust, partnership or other legal entity.
- *If you represent a corporation,* you must:
 - bring to the Annual Meeting a letter or other document from the corporation, on the corporation's letterhead and signed by an officer of the corporation, that authorizes you to vote the corporation's shares on its behalf; OR
 - **we must have received by 5:00 p.m., Eastern Time, on May 29, 2018** a duly executed proxy card from the corporation appointing you as its proxy.

- *If you represent a trust, partnership or other legal entity, we must have received by 5:00 p.m., Eastern Time, on May 29, 2018* a duly executed proxy card from the legal entity appointing you as its proxy. A letter or other document will not be sufficient for you to vote on behalf of a trust, partnership or other legal entity other than a corporation.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. Because your name does not appear on the share register of the Trust, you will not be able to vote in person at the Annual Meeting unless you request a legal proxy from your bank or broker and bring it with you to the Annual Meeting.

- *Individuals.* As an individual, the legal proxy will have your name on it. You must present the legal proxy at check-in to the inspector of election at the Annual Meeting to receive your ballots.
- *Individuals Voting on Behalf of a Beneficial Owner.* Because the legal proxy will not have your name on it, to receive your ballots you must:
 - present the legal proxy at check-in to the inspector of election at the Annual Meeting; AND
 - bring to the Annual Meeting a letter from the person or entity named on the legal proxy that authorizes you to vote its shares at the Annual Meeting.

APPOINTMENT OF PROXY

Shareholders of Record. We encourage you to appoint a proxy to vote on your behalf by promptly submitting the enclosed proxy card, which is solicited by the Company's board of directors, which we refer to as our Board or the Board, and which, when properly completed, signed, dated and returned to us, will ensure that your shares are voted as you direct. We strongly encourage you to return your completed proxy to us regardless of whether you will attend the Annual Meeting to ensure that your vote is represented at the Annual Meeting.

PLEASE RETURN YOUR PROXY CARD TO US IN THE ACCOMPANYING ENVELOPE, OR SUBMIT YOUR VOTE BY TELEPHONE OR ONLINE, NO LATER THAN 5:00 P.M., EASTERN TIME, ON MAY 29, 2018. IF WE DO NOT RECEIVE YOUR PROXY CARD BY THAT TIME, YOUR PROXY WILL NOT BE VALID. IN THIS CASE, UNLESS YOU ATTEND THE ANNUAL MEETING, YOUR VOTE WILL NOT BE REPRESENTED.

The persons named in the proxy card have been designated as proxies by our Board. The designated proxies are officers of the Company. They will vote as directed by the completed proxy card.

Shareholders of record may appoint another person to attend the Annual Meeting and vote on their behalf by crossing out the Board-designated proxies, inserting such other person's name on the proxy card and returning the duly executed proxy card to us. When the person you appoint as proxy arrives at the Annual Meeting, the inspector of election will verify such person's authorization to vote on your behalf by reference to your proxy card. If you would like to appoint a person as proxy other than those designated by our Board, you must do so by using the proxy card, as described above.

If you wish to change your vote, you may do so by revoking your proxy before the Annual Meeting. Please see the section titled "Revocation of Proxy" below for more information.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. You should also have received a voter instruction card instead of a proxy card. Your bank or broker will vote your shares as you instruct on the voter instruction card. We strongly encourage you to promptly complete and return your voter instruction card to your bank or broker in accordance with their instructions so that your shares are voted. As described above, you may also request a legal proxy from your bank or broker to vote in person at the Annual Meeting.

Voting by the Designated Proxies

The persons who are the designated proxies will vote as you direct in your proxy card or voter instruction card. Please note that proxy cards returned without voting directions, and without specifying a proxy to attend the Annual Meeting and vote on your behalf, will be voted by the proxies designated by our Board in accordance with the recommendations of our Board. Our Board recommends:

- a vote **FOR ALL** of the two director nominees to the Company's board of directors as Class III directors for a three-year term ending at the 2021 Annual Meeting of Shareholders (Proposal 1);
- a vote **FOR** the approval, on a non-binding and advisory basis, of the resolution approving the compensation of our executive officers as disclosed in the proxy statement (Proposal 2); and
- a vote **FOR** the ratification of the appointment of Grant Thornton LLP to serve as the independent auditor for Compass Diversified Holdings and Compass Group Diversified Holdings LLC for the fiscal year ending December 31, 2018 (Proposal 3).

If any other matter properly comes before the Annual Meeting, your proxies will vote on that matter in their discretion.

Revocation of Proxy

You may revoke or change your proxy before the Annual Meeting by:

- sending us a duly executed written notice of revocation prior to the Annual Meeting;
- attending the Annual Meeting and voting in person; OR
- ensuring that we receive from you, **prior to 5:00 p.m., Eastern Time, on May 29, 2018** a new proxy card with a later date, including receipt of a new proxy card submitted online.

Any written notice of revocation must be sent to the attention of Carrie W. Ryan, Secretary, Compass Group Diversified Holdings LLC, 301 Riverside Avenue, Second Floor, Westport, Connecticut 06880 or by facsimile to (203) 221-8253.

APPROVAL OF PROPOSALS AND SOLICITATION

Each shareholder who owned shares of Trust common stock on April 2, 2018, the record date for the determination of shareholders entitled to vote at the Annual Meeting, is entitled to one vote for each share of Trust common stock. On April 2, 2018, we had 59,900,000 shares of Trust common stock issued and outstanding that were held by approximately 34,000 beneficial holders.

Quorum

Under the Second Amended and Restated Trust Agreement of the Trust, dated December 6, 2016, which we refer to as the Trust Agreement, the shareholders present in person or by proxy holding a majority of the outstanding shares of Trust common stock entitled to vote shall constitute a quorum at a meeting of shareholders of the Trust. Under the terms of the Fifth Amended and Restated Operating Agreement of the Company, dated as of December 6, 2016, which we refer to as the LLC Agreement, holders of shares of Trust common stock are the only shareholders entitled to vote at the Annual Meeting. The Series A Trust Preferred Interests and the Series B Trust Preferred Interests, which we refer to collectively as the preferred interests, are not "Voting Trust Interests" for purposes of the LLC Agreement. Shares represented by proxies that are marked "abstain" will be counted as shares present for purposes of determining the presence of a quorum. Shares of Trust common stock that are represented by broker non-votes will be counted as shares present for purposes of determining the presence of a quorum. A broker non-vote occurs when the broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power to vote on that proposal without specific voting instructions from the beneficial owner. Proposals 1 and 2 described in this proxy are non-discretionary items and Proposal 3 described in this proxy is a discretionary item.

If the persons present or represented by proxies at the Annual Meeting do not constitute a majority of the holders of outstanding Trust common stock entitled to vote as of the record date, we will postpone the Annual Meeting to a later date.

Approval of Proposals

For the election of directors (Proposal 1), the affirmative vote of at least a plurality of the votes cast on such proposal is required. No shareholders shall be permitted to cumulate votes for the election of directors. The advisory vote on executive compensation (Proposal 2) requires the affirmative vote of at least a majority of the outstanding shares entitled to vote thereon present in person or represented by proxy at the Annual Meeting. Because your votes on Proposal 2 are advisory, they will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation. For the approval of the proposal to ratify the appointment of Grant Thornton LLP as the independent auditor for the Trust and the Company (Proposal 3), the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required. An abstention will not be counted as a vote cast. With the exception of certain business combinations, as such term is defined in the Trust Agreement, any other proposal that properly comes before the Annual Meeting must be approved by the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting. A broker non-vote would also not be counted as a vote cast.

Broker non-votes and withheld votes are not counted toward the election of directors or toward the election of individual nominees specified on the proxy and therefore, broker non-votes and withheld votes shall have no effect on Proposal 1. Proposal 2 and Proposal 3 require the affirmative vote of at least a majority of the outstanding shares present in person or by proxy, and therefore, an abstention is the same as a vote "Against." A broker non-vote will be treated as not entitled to vote on Proposal 2 and therefore will have no effect on such proposal.

Proposal 3 is a discretionary item. New York Stock Exchange ("NYSE") member brokers that do not receive instructions from beneficial owners may vote your shares in their discretion and, therefore, there will be no broker non-votes on Proposal 3. Proposals 1 and 2 are non-discretionary items and member brokers may not vote on the proposal without specific voting instructions from beneficial owners, resulting in a broker non-vote.

Under the terms of the LLC Agreement and the Trust Agreement, with respect to those matters subject to vote by the members of the Company, the Company will act at the direction of the Trust. The Trust Agreement requires the Trust to vote 100% of the limited liability interests of the Company, or the LLC interests, of which it is the sole holder, in the same proportion as the vote of

holders of the Trust common stock. In this way the voting rights of members of the Company will effectively be exercised by the shareholders of the Trust by proxy. The LLC Agreement provides that the members are entitled, at the annual meeting of members of the Company, to vote for the election of all of the directors other than the director appointed by the Company's Allocation Member (as defined herein). At this meeting, Class III directors will be elected in accordance with the LLC Agreement. See "PROPOSAL 1: ELECTION OF DIRECTORS – Board Composition" for a description of Class III directors. The Trust will vote its LLC interests as directed at the Company's annual members' meeting promptly following the tabulation of votes cast at this Annual Meeting.

All votes will be tabulated by Broadridge, the proxy tabulator and inspector of election appointed for the Annual Meeting. Broadridge will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Solicitation of Proxies

We will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of this proxy statement and the proxy card. We have also retained Broadridge to distribute copies of these proxy materials to banks, brokers, fiduciaries and custodians, or their agents holding shares in their names on behalf of beneficial owners so that they may forward these proxy materials to our beneficial owners.

We may supplement the original solicitation of proxies by mail with solicitation by telephone, telegram and other means by directors, officers and/or employees of our Manager (as defined in "EXECUTIVE COMPENSATION – Compensation Discussion and Analysis"). We will not pay any additional compensation to these individuals for any such services.

PROPOSAL 1: ELECTION OF DIRECTORS

Board Composition

Our Board consists of seven directors, four of whom are the Company's independent directors. Our Board has the ability to decrease or increase its size to no less than five or up to thirteen directors, respectively. Six of our directors are elected by our shareholders and one director is appointed by the Company's Allocation Member. The Board is divided into three classes serving staggered three-year terms. The terms of office of Classes I, II and III expire at different times in annual succession, with one class being elected at each annual meeting of shareholders. Messrs. Day and Ewing are Class III directors and are up for re-election at this year's Annual Meeting. Mr. Edwards and Ms. McCoy are Class I directors and will serve until the 2019 Annual Meeting of Shareholders. Messrs. Bottiglieri and Burns are Class II directors and will serve until the 2020 Annual Meeting of Shareholders. Pursuant to the LLC Agreement, the Company's Allocation Member has the right to appoint one director to the Board. Mr. Offenberg, our Chief Executive Officer, is currently serving as a director appointed by the Allocation Member. On January 11, 2018, Mr. Offenberg notified the Company of his intention to retire from his positions as the Chief Executive Officer and as a director of the Company, in each case, effective as of May 2, 2018. Elias J. Sabo will assume the role of Chief Executive Officer effective as of May 3, 2018 and will be appointed as a director by the Allocation Member as of that same date. Any appointed director will not be required to stand for election by the shareholders.

Director Independence

Pursuant to our governing documents, our Board will consist of at least a majority of independent directors at all times. Our Board has reviewed the materiality of any relationship that each of our directors has with the Trust or the Company, either directly or indirectly. Based on this review, the Board has determined that the following directors are "independent directors" as defined by the NYSE: Messrs. Burns, Day, Edwards, and Ewing.

Election of Directors

The Class III directors will be elected at the Annual Meeting and will serve for a three-year term that expires at our 2021 Annual Meeting of Shareholders. Messrs. Day and Ewing have been nominated for re-election as Class III directors. Mr. Burns brings to our Board extensive knowledge of investment and financing activities, having significant experience in such fields. He has also been involved with several public and private companies as they have gone through important transitions, including mergers and acquisitions, divestitures and management succession. Our Board benefits from the insights gleaned from these experiences.

Alan B. Offenber has served as a director and the Chief Executive Officer of the Company since February 2011. Mr. Offenber has also been a partner of our Manager and its predecessor since 1998. Previously, Mr. Offenber was with Trigen Energy, Creditanstalt- Bankverein and GE Capital. Mr. Offenber currently serves as chairman and as a director for CEI Holdings, Inc. (doing business as Clean Earth), and as a director for each of Arnold Magnetic Technologies Corporation, Crosman Corporation, and Sterno Products LLC, which are all our subsidiary companies. Mr. Offenber is a graduate of Tulane University and the Northeastern University Graduate School of Business.

Mr. Offenber brings extensive experience in management, private equity and operating finance to our Board. Mr. Offenber's knowledge and experience of the Company, as well as the Company's subsidiaries, provides the Board with an intricate understanding of the Company's business, history and organization that is critical to the overall functioning of the Board.

On January 11, 2018, Mr. Offenber notified the Company of his intention to retire from his positions as the Chief Executive Officer and as a director of the Company, in each case, effective as of May 2, 2018.

Elias J. Sabo will assume the role of Chief Executive Officer upon Mr. Offenber's retirement, effective as of May 3, 2018, and will be appointed as a director by the Allocation Member as of that same date. Mr. Sabo joined the Company's Manager in 1998 as one of the founding partners. For the past 20 years, he has been a member of the Investment Committee and, alongside Mr. Offenber, has played a central role in directing the Company's strategy. Mr. Sabo also currently serves as a director for a number of the Company's current subsidiaries, including 5.11 Tactical, Advanced Circuits, Arnold Magnetic Technologies Corporation, and Fresh Hemp Foods, Ltd. (doing business as Manitoba Harvest). He previously served as the Chairman of Fox Factory Holding Corp. (NASDAQ: FOXF), a former Company subsidiary, from 2007 to 2017. Prior to joining the Manager, Mr. Sabo worked in the acquisition department of Colony Capital, LLC, a Los Angeles-based real estate private equity firm, from 1992 to 1996, and as a healthcare investment banker for

CIBC World Markets (formerly Oppenheimer & Co.) from 1996 to 1998. Mr. Sabo is a graduate of Rensselaer Polytechnic Institute.

Mr. Sabo brings to our Board business leadership experience, an extensive understanding of investment activities, and public company experience with respect to governance and risk management. As a founder of the Manager, Mr. Sabo brings a deep understanding of the operations, history, and culture of the Company and its subsidiaries, which enables him to advise on all aspects of our business, while bringing historic knowledge and continuity to our Board.

Recommendation of the Board

Our Board recommends that you vote **FOR ALL** of the director nominees listed, Messrs. Day and Ewing, to be elected to our Board as Class III directors for a three-year term ending at our 2021 Annual Meeting of Shareholders.

PROPOSAL 2: ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our shareholders to vote to approve, on a non-binding and advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with applicable SEC rules. We are providing this vote as required pursuant to Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (15 U.S.C. 78n-1).

Our compensation policy is designed to enable us to attract, motivate, reward and retain the management talent required to achieve our objectives, and thereby increase shareholder value. Please see the section titled "EXECUTIVE COMPENSATION – Compensation Discussion and Analysis" and the related compensation tables herein for additional details about our executive compensation policy, including information about the fiscal year 2017 compensation of our named executive officers.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This Proposal 2 gives our shareholders the opportunity to express their views on our named executive officers' compensation (the "Say-on-Pay Vote"). This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officer and the philosophy, policies and practices described in this proxy statement. We believe that our overall compensation policy accomplishes our compensation goals of attracting and retaining a qualified and talented chief financial officer. Accordingly, we will ask our shareholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the named executive officer, as disclosed in the Company's Proxy Statement for the 2018 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC."

The Say-on-Pay Vote is advisory, and therefore not binding on the Company, the compensation committee or our Board. Our Board and our compensation committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider the results of the vote in future compensation deliberations and evaluate whether any actions are necessary to address shareholder concerns.

The Company will include a proposal seeking shareholder approval, on a non-binding and advisory basis, of the compensation of our named executive officers in the proxy statement every year until the 2023 Annual Meeting of Shareholders. In 2023, the Company will include a proposal seeking shareholder approval, on a non-binding and advisory basis, of the frequency at which the Company shall thereafter seek shareholder approval, on a non-binding and advisory basis, of the compensation of the named executive officers.

Recommendation of the Board

Our Board recommends that you vote, on a non-binding and advisory basis, **FOR** the resolution approving the compensation of our executive officers as disclosed in this proxy statement.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

General

Our Board has recommended and asks that you ratify the appointment of Grant Thornton LLP as the independent auditor for the Company and the Trust for the fiscal year ending December 31, 2018. You would be so acting based on the recommendation of our audit committee.

Grant Thornton LLP was appointed by our audit committee to audit the annual financial statements of the Company and the Trust for the fiscal years ended December 31, 2017 and December 31, 2016. Based on its past performance during these audits, the audit committee of the Board has appointed Grant Thornton LLP as the independent auditor to perform the audit of our financial statements and internal control over financial reporting for fiscal year 2018. Grant Thornton LLP is a registered public accounting firm. Information regarding Grant Thornton LLP can be found at: www.grantthornton.com.

The affirmative vote of a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required to ratify the appointment of Grant Thornton LLP. If you do not ratify the appointment of Grant Thornton LLP, our Board will reconsider its appointment of Grant Thornton LLP and may, in its sole discretion, make a new proposal for independent auditor.

Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Pre-Approval Policies and Procedures

The audit committee has established policies and procedures for its appraisal and approval of audit and non-audit services. The audit committee has also delegated to the chairman of the committee the authority to approve additional audit and non-audit services and, subject to compliance with all applicable independence requirements, to approve the engagement of additional accounting firms to provide such services. While all other audit-related, tax and other fees may be approved by the audit committee prospectively, the audit committee or its chairman has pre-approved all of the services provided by Grant Thornton LLP since its engagement.

In making its recommendation to ratify the appointment of Grant Thornton LLP as the independent auditor for the fiscal year ending December 31, 2018, the audit committee has considered whether the services provided by Grant Thornton LLP are compatible with maintaining the independence of Grant Thornton LLP and has determined that such services do not interfere with Grant Thornton LLP's independence.

Recommendation of the Board

Our Board recommends that you vote, based on the recommendation of the audit committee, **FOR** the ratification of the appointment of Grant Thornton LLP to serve as the independent auditor for the Company and the Trust for the fiscal year ending December 31, 2018.

To fill the vacancies created by Mr. Offenberg's retirement, Compass Group Management, LLC announced that it intends to second Mr. Sabo as the Company's Chief Executive Officer in accordance with the terms and conditions of the Management Services Agreement (as hereinafter defined). The Board has accepted both of the foregoing nominations.

Ryan J. Faulkingham has served as Chief Financial Officer and Co-Compliance Officer of the Company since November 2013. Board Leadership Structure and Role in Risk Oversight

Generally. The LLC Agreement provides that the chairman is elected by a majority of the Board and must also be a member of the Board. The chairman is not required to be an employee of the Company. Likewise, the LLC Agreement provides that, so long as the Management Services Agreement is in effect, the Company's Manager shall second personnel to serve as the chief executive officer and chief financial officer of the Company, subject to the formal election of such individuals by the Company's Board. Although there is no requirement that the chief executive officer and the chairman be separate positions, the Board has currently chosen to separate the chief executive officer and chairman positions. The Board believes the current separation of these roles helps to ensure good Board governance and fosters independent oversight to protect the long-term interests of the Company's private and institutional shareholders. In addition, the Board believes this separation is presently appropriate as it allows our chief executive officer to focus primarily on leading the Company's day-to-day business and affairs while the chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance and shareholder matters.

Risk Oversight. The Company's Board has overall responsibility for risk oversight. The Company's general counsel presents, and the Board assesses, at least annually, the critical risks associated with the businesses of the Company and each of its subsidiaries. The Board also performs a majority of its role in risk oversight through the audit committee. The audit committee charter provides that the audit committee shall assist the Board in fulfilling its oversight responsibility relating to the evaluation of enterprise risk issues. In addition, the audit committee, pursuant to its charter, discusses with management, counsel, the vice president of internal audit and internal audit service providers, as the case may be, and the independent auditors, the Company's major risk exposures (whether financial, operational or both) and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Company's internal audit department supervises the day-to-day risk management responsibilities of the Company and reports directly to the audit committee, which is comprised solely of independent directors. In addition, during each quarterly meeting of the audit committee, the members of the audit committee meet with the Company's vice president of internal audit and independent auditors, in each case, without management present, to discuss the specific areas of risk identified during the quarter, if any. The audit committee is authorized to utilize outside lawyers, internal staff, independent experts and other consultants to assist and advise the committee in connection with its responsibilities, including the

evaluation of the Company's major risk exposures. The Company's management team, including Company counsel, regularly evaluates the risks inherent to the businesses of the Company's subsidiaries and reports the results of such evaluations to the full Board for consideration at least annually and more frequently if the particular facts and circumstances dictate. The Board believes that the foregoing processes for overseeing risk ensures that independent directors are aware of the Company's major risk exposures.

Board Meetings and Committees

Our Board met ten times during 2017. All directors attended at least 75% of the combined Board and committee meetings on which they served in 2017. Although we have no formal policy regarding director attendance at the annual meeting of the shareholders, directors are encouraged to attend. Six of the Company's seven directors attended the 2017 Annual Meeting of Shareholders.

The LLC Agreement gives our Board the authority to delegate its powers to committees appointed by the Board. All of our standing committees are composed solely of independent directors, as defined by the applicable NYSE committee membership independence standards. Our committees are required to conduct meetings and take action in accordance with the directions of the Board, the provisions of our LLC Agreement and the terms of the respective committee charters. We have three standing committees: the audit committee, the compensation committee and the nominating and corporate governance committee. Each of the audit committee, compensation committee and nominating and corporate governance committee may not delegate any of its authority to subcommittees unless otherwise authorized by the Board. Copies of all committee charters are available on our website at www.compassdiversifiedholdings.com, and in print from us without charge upon request by writing to Investor Relations at our principal executive offices located at 301 Riverside Avenue, Second Floor, Westport, Connecticut 06880. The information on our website is not, and shall not be deemed to be, incorporated by reference into this proxy statement or incorporated into any other filings that the Company or the Trust makes with the SEC.

Audit Committee. The audit committee is comprised entirely of independent directors who meet the independence requirements of the NYSE and Rule 10A-3 of the Exchange Act, and includes at least one "audit committee financial expert," as required by applicable SEC regulations. Our standing audit committee is established in accordance with Section 3(a)(58)(A) of the Exchange Act. The audit committee is responsible for, among other things:

- retaining and overseeing our independent accountants;
- assisting the Board in its oversight of the integrity of our financial statements, the qualifications, independence and performance of our independent auditors and our compliance with legal and regulatory requirements;
- reviewing and approving the plan and scope of the internal and external audit;
- pre-approving any audit and non-audit services provided by our independent auditors;
- approving the fees to be paid to our independent auditors;
- reviewing with our chief executive officer and chief financial officer and independent auditors the adequacy and effectiveness of our internal controls;
- reviewing and approving the calculation of the profit allocation payments made to the Allocation Member;
- preparing the audit committee report to be filed with the SEC;
- reviewing hedging transactions; and
- reviewing and assessing annually the audit committee's performance and the adequacy of its charter.

Messrs. Ewing, Edwards and Burns served on our audit committee during 2017 and currently serve in such roles. The Board has determined that Mr. Ewing qualifies as an audit committee financial expert, as defined by the SEC. The audit committee met six times during 2017.

Compensation Committee. The compensation committee is comprised entirely of independent directors who meet the compensation committee independence requirements of the NYSE. In accordance with the compensation committee charter, the members are "outside directors" as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended, and "non-employee directors" within the meaning of Section 16 of the Exchange Act. The responsibilities of the compensation committee include, among other things:

- reviewing our Manager's performance of its obligations under the Management Services Agreement;
- reviewing the remuneration of our Manager and approving the remuneration paid to our Manager as reimbursement for the compensation paid by our Manager to our chief financial officer and the chief financial officer's staff;
- determining the compensation of our independent directors;
- granting rights to indemnification and reimbursement of expenses to the Manager and any seconded individuals; and
- making recommendations to the Board regarding equity-based and incentive compensation plans, policies and programs.

Neither the compensation committee nor management has engaged compensation consultants to provide advice with respect to the form or amount of director compensation. In early 2018, the compensation committee conducted a survey of the director compensation practices of other companies that it considered reasonably comparable to the Company. The compensation committee

targets cash and equity compensation for the Company's directors at the average of the peer group. The committee also considered the time commitment, responsibilities and related burdens of Board service over the Company's history. Based upon the compensation committee's review, the committee recommended to the full Board that the annual compensation paid to non-management directors and the annual compensation paid to the chairman of the Board be increased, effective as of January 1, 2018. For a discussion of the terms of such increases, see the section titled "DIRECTOR COMPENSATION." The full Board ratified the compensation committee's recommendation on February 15, 2018. The Company's Manager is responsible for establishing the form and amount of compensation paid to our chief financial officer and his staff by our Manager. The Company's compensation committee is responsible for approving the remuneration paid to our Manager as reimbursement for the compensation paid by our Manager to our chief financial officer and the chief financial officer's staff. Mr. Offenber, our chief executive officer, in his capacity as a member of our Manager, participates in the establishment of the form and amount of compensation paid to our chief financial officer and his staff by our Manager.

Messrs. Edwards, Ewing and Burns served on our compensation committee during 2017 and currently serve in such roles. The compensation committee met two times during 2017.

Nominating and Corporate Governance Committee. The nominating and corporate governance committee is comprised entirely of independent directors who meet the independence requirements of the NYSE. The nominating and corporate governance committee is responsible for, among other things:

- recommending the number of directors to comprise the Board;
- identifying and evaluating individuals qualified to become members of the Board, other than our Manager's appointed director and his or her alternate, and soliciting recommendations for director nominees from the chairman and chief executive officer of the Company;
- recommending to the Board the director nominees for each annual shareholders' meeting, other than our Manager's appointed director;
- recommending to the Board the candidates for filling vacancies that may occur between annual shareholders' meetings, other than our Manager's appointed director;
- reviewing independent director compensation and Board processes, self-evaluations and policies;
- overseeing compliance with our code of ethics, anti-corruption policy, and conduct by our officers and directors; and
- monitoring developments in the law and practice of corporate governance.

Messrs. Burns, Edwards, and Ewing served on our nominating and corporate governance committee during 2017 and currently serve in such roles. The nominating and corporate governance committee met one time during 2017.

Compensation Committee Interlocks and Insider Participation

None of the members of our compensation committee, Messrs. Burns, Edwards, and Ewing, are, or have been, an officer or employee of the Company. During 2017, no member of our compensation committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. None of our executive officers serves on a board of directors or compensation committee of a company that has an executive officer serving on our Board or compensation committee.

Material Legal Proceedings Involving Directors and Executive Officers

Currently, there are no material proceedings to which any of our directors, officers, affiliates, any owners of record or beneficially of more than five percent of any class of voting securities, or any associate of any such director, officer, affiliate, or security holder is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries.

Executive Sessions of our Board

Our corporate governance guidelines provide that the non-management directors will meet without management directors in regularly scheduled executive sessions at least quarterly and at such other times as they deem appropriate. The independent directors meet in executive session at least quarterly. In accordance with our corporate governance guidelines, the chairman of the Board, audit committee, nominating and corporate governance committee or compensation committee will preside at these executive sessions of the non-management directors and independent directors as determined by the non-executive directors based upon the subject matter to be discussed. Mr. Day presided, and continues to preside, over sessions of the non-management and independent directors. Our non-management directors met five times during 2017.

Nominations of Directors

As provided in its charter, the nominating and corporate governance committee will identify and recommend to the Board nominees for election or re-election to the Board. In addition, the committee may review candidates for the Board recommended by executive search firms, the Company's management and other members of the Board who are not members of the committee, as well as candidates recommended by shareholders, in accordance with the following criteria and as discussed in the section titled "Shareholder Nominations of Directors" below.

The nominating and corporate governance committee, in making its recommendations regarding Board nominees, may consider some or all of the following factors, among others:

- the candidate's judgment, skill, and experience with other organizations of comparable purpose, complexity and size, and subject to similar legal restrictions and oversight;
- the relationship of the candidate's experience to the experience of other Board members;
- the extent to which the candidate would be a valuable addition to the Board and any committees thereof;
- whether or not the person has any relationships that might impair his or her independence, including any business, financial or family relationships with the Manager or the Company's management; and
- the candidate's ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills, and knowledge of the industries in which the Company operates.

In recommending candidates for election as directors, the nominating and corporate governance committee will also take into consideration the need for the Board to have a majority of directors that are independent under the requirements of the NYSE and other applicable laws, and at least three directors that are independent under these requirements and are not appointed by the Allocation Member pursuant to the terms of the LLC Agreement or otherwise affiliated with our Manager.

In addition, the nominating and corporate governance committee will recommend candidates for election as directors based on the following criteria and qualifications:

- *Financial Literacy.* Such person should be "financially literate" as such qualification is interpreted by the Board in its business judgment.
- *Leadership Experience.* Such person should possess significant leadership experience, such as experience in business, finance/accounting, law, education or government, and shall possess qualities reflecting a proven record of accomplishment and ability to work with others.
- *Commitment to our Company's Values.* Such person shall be committed to promoting our financial success and preserving and enhancing our reputation and shall be in agreement with our values as embodied in our code of ethics.
- *Absence of Conflicting Commitments.* Such person should not have commitments that would conflict with the time commitments of a director of our Company.
- *Complementary Attributes.* Such person shall have skills and talents which would be a valuable addition to the Board and any committees thereof and that shall complement the skills and talents of our existing directors.
- *Reputation and Integrity.* Such person shall be of high repute and integrity.

Neither the nominating and corporate governance committee nor the Board has a formal policy with regard to the consideration of diversity in identifying director nominees; however, diversity is one of the criteria evaluated by the nominating and corporate governance committee when selecting Board nominees and re-electing Board members. The nominating and corporate governance committee seeks and recommends candidates for election or re-election with differences of viewpoint, professional experience, education, skill, background and other individual qualities. The nominating and corporate governance committee charter provides that the committee endeavor to solicit as director candidates individuals possessing skills and talents which would complement the skills and talents of the Company's existing directors. In addition, before recommending that the Board nominate each new director candidate or re-nominate each incumbent director, the nominating and corporate governance committee assesses to what extent such individual's contributions will enhance the effectiveness of the Board and its committees given its overall current composition. Each year, the Board assesses the effectiveness of its diversity efforts, among other items, during its annual self-evaluation process. The nominating and corporate governance committee assesses annually the composition of the Board and each long-standing committee. Under the Company's corporate governance guidelines, directors must inform the chairman of the Board and the chairman of the nominating and corporate governance committee in advance of accepting an invitation to serve on another public company board or any committee thereof.

In addition to any other requirements, for a shareholder to properly bring a nomination for director before either an annual or special meeting, the shareholder must be a shareholder of record on both the date of the shareholder's notice of nomination and the record date relating to the meeting.

We may require any proposed nominee to furnish any additional information that we reasonably require to enable our nominating and corporate governance committee to determine the eligibility of the proposed nominee to serve as a director. Candidates are evaluated based on the standards, guidelines and criteria discussed above as well as other factors contained in the nominating and corporate governance committee's charter, our corporate governance guidelines, our other policies and guidelines and the current needs of the Board.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We entered into the Sixth Amended and Restated Management Services Agreement, which we refer to as the Management Services Agreement, with Compass Group Management LLC, which we refer to as our Manager, as of September 30, 2014. The Management Services Agreement defines our Manager's duties and responsibilities and is subject to the oversight and supervision of our Board. The Company currently does not have any employees and does not expect to have any employees in the foreseeable future. Our Manager is responsible for the conduct of the Company's day-to-day business and affairs in exchange for a management fee for the provision of its services. The services necessary for the operation of the Company's business are performed by our executive officers, Messrs. Offenberg and Faulkingham, who are employed by our Manager and are seconded to the Company, which means that they have been assigned by our Manager to work for the Company during the term of the Management Services Agreement between us and our Manager, and certain other employees of our Manager. The Company does not have any executive officers, other than Messrs. Offenberg and Faulkingham. Our Manager determines and pays the compensation of these officers who we refer to as the "named executives," subject to the reimbursement described below.

Overview of our Executive Compensation

None of our executive officers receives direct compensation from us. Our Manager is responsible for the payment of compensation to the executive officers seconded to us. We do not reimburse our Manager for the compensation paid to our chief executive officer, Alan B. Offenberg. We do, however, pay our Manager a quarterly management fee and our Manager uses the proceeds from the management fee, in part, to pay distributions to Mr. Offenberg in respect of his ownership interest in our Manager. During the fiscal year ended December 31, 2017, we incurred approximately \$28.1 million of management fees under the Management Services Agreement. For a discussion of the terms of our Management Services Agreement, see the section titled "CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS – Contractual Arrangements with Related Parties – Management Services Agreement." The Company has the right to require the Manager to replace Mr. Offenberg as the Company's chief executive officer, subject to the terms of the Management Services Agreement with our Manager.

Pursuant to the Management Services Agreement with our Manager, we reimburse our Manager for the compensation paid to our chief financial officer, Ryan J. Faulkingham. Such reimbursement is approved by the Company's compensation committee. The terms and conditions of Mr. Faulkingham's employment are governed by an employment agreement between Mr. Faulkingham and our Manager. A description of Mr. Faulkingham's compensation is set forth below. The Company's Board and compensation committee oversee the calculation and payment of the management fee.

The discussion that follows relates to the compensation policies and philosophy for Mr. Faulkingham only, as the compensation distributions paid to the Company's chief executive officer are not reimbursed by the Company.

Elements of Our Executive Compensation and How Each Relates to Our Overall Compensation Objectives

Mr. Faulkingham's employment agreement provides that his annual compensation is to be paid through a combination of a base salary and an annual cash bonus. Both elements are designed to be competitive with comparable employers in our industry and intended to provide incentives and reward Mr. Faulkingham for his contributions to the Company.

Objectives of Our Executive Compensation and What it is Designed to Reward

The primary objective of the aforementioned elements of our executive compensation is to attract and retain a qualified and talented individual to serve as chief financial officer. Through payment of a competitive base salary, we recognize particularly the experience, skills, knowledge and responsibilities required of the chief financial officer position. An annual cash bonus is designed to reward our chief financial officer's individual performance during the year and can therefore be variable from year to year.

How We Determine the Amount of Each Element of Executive Compensation for our Chief Financial Officer

To determine the amount of our chief financial officer's compensation, we consider competitive market practices by reviewing publicly available information across our industry and related industries. We do not use compensation consultants at this time. When establishing Mr. Faulkingham's 2017 base salary, the compensation committee and management considered a number of factors including: his seniority, the functional role of his position, the level of his responsibility, the ability to replace him and his base salary during the prior year. The compensation committee also considered the most recent advisory vote on executive compensation, and whether such compensation continues to achieve the objective of appropriately rewarding our chief financial officer for his contributions to our business, including its growth and profitability.

Our chief financial officer's compensation is reviewed on an annual basis. Factors considered in determining increases to our chief financial officer salary level are: the employment market for chief financial officers of public entities comparable to the Company in size and industry, the breadth and scope of the responsibilities of the chief financial officer within our organization, his performance in prior years (as assessed by our compensation committee in accordance with the factors as outlined below) and the retention of our chief financial officer. We expect the salary of our current chief financial officer, Mr. Faulkingham, to increase annually with adjustments largely reflecting additional responsibilities assumed, growth of the Company and the related increase in

the complexity of the position of chief financial officer within our organization, to appropriately reward Mr. Faulkingham for his contributions to our growth and profitability, thereby retaining his services and to compensate for cost of living increases.

The annual cash bonus element of our executive compensation policy is determined on a discretionary basis and is largely based upon the job performance of our chief financial officer in completing his responsibilities. In determining the amount of Mr. Faulkingham's annual cash bonus, our compensation committee assesses his performance in respect of: (i) the nature and quality of the internal and financial reporting controls; (ii) management of the Company's financial accounting staff; (iii) the performance of the Company's financial accounting function and its ability to perform assigned tasks on a timely basis; (iv) his and the financial accounting staff's interactions with the Company's outside independent auditors on the strength of the controls environment, the strength of the Company's finance function generally and the level of cooperation received by such independent auditors in the conduct of the Company's audit; (v) his and the financial accounting staff's interaction with the management of the businesses in which the Company owns a controlling interest; and (vi) his lead role in capital raises and in investor relations. Our chief financial officer's bonus is not based upon the performance of the Company and is unrelated to the amount of his base salary.

Employment Agreements

Employment Agreement with Ryan J. Faulkingham. During fiscal year 2013, our Manager entered into an employment agreement with Mr. Faulkingham. The Manager has seconded Mr. Faulkingham to the Company to act as its chief financial officer.

On February 14, 2018, the compensation committee considered and approved an increase in Mr. Faulkingham's base salary from \$395,000 to \$410,000. Such increase in base salary became effective as of January 1, 2018. The Manager has the right to increase, but not decrease, Mr. Faulkingham's base salary during the term of his employment agreement. The employment agreement with our Manager provides that Mr. Faulkingham is entitled to receive an annual bonus as determined in the sole judgment of our Manager, subject to ratification and approval of the reimbursement of such amount by the compensation committee of our Board. The employment agreement prohibits Mr. Faulkingham from (i) competing with the Company or the Manager and (ii) soliciting any of the Manager's or the Company's employees for a period of one year after the termination of his employment. The employment agreement also requires that Mr. Faulkingham protect the Company's confidential information.

Potential Payments upon Termination or Change-in-Control

The following summarizes potential payments payable to our executive officers upon termination of employment or a change-in-control.

Employment Agreement with Ryan J. Faulkingham.

Pursuant to his employment agreement, if Mr. Faulkingham is terminated (i) by the Manager other than for death or disability or for "proper cause" or (ii) by Mr. Faulkingham for "good reason," the Manager shall pay Mr. Faulkingham all amounts to which he may be entitled up to the termination date. However, conditioned upon Mr. Faulkingham's execution (and, if applicable, non-revocation) of a full waiver and release of all claims against the Manager and its affiliates and their respective officers, directors, shareholders, employees and agents containing standard terms for such an agreement, the Manager shall pay Mr. Faulkingham, in a lump sum, less legally required withholdings, an amount equal to the Mr. Faulkingham's base salary rate at the termination date plus the discretionary bonus, if any, paid to Mr. Faulkingham for the immediately preceding year. In Mr. Faulkingham's Employment Agreement "proper cause" is defined to mean: (a) any breach by Mr. Faulkingham of any material provision of the Employment Agreement; (b) an act of dishonesty, gross negligence or willful misconduct, or a willful or reckless violation of a material regulatory requirement, or of any material written policy or procedure applicable to the Company, the Manager or its affiliates

by Mr. Faulkingham, if such act has a material adverse impact on the financial interests or business reputation of the Company, the Manager or its affiliates; (c) any breach of Mr. Faulkingham's duty of loyalty or other fiduciary duties to the Company, the Manager or its affiliates; (d) a willful failure of Mr. Faulkingham to follow the reasonable directives of the Managing Member of the Manager or the Board of Directors of the Company pertaining to legal compliance or audits of the Company, the Manager or its affiliates; (e) Mr. Faulkingham's conviction of, or plea of nolo contendere to, a crime which the Manager reasonably determines materially and adversely affects the reputation of the Company, the Manager or any of its affiliates or the Mr. Faulkingham's ability to perform the services required under the Employment Agreement; or (f) the commission of an act of fraud, embezzlement, or misappropriation by Mr. Faulkingham with respect to his relations with the Company, the Manager or any of their respective employees, customers, agents, or representatives.

"Good reason" is defined in Mr. Faulkingham's Employment Agreement to mean: (a) a breach by the Manager of any of the material provisions of the Employment Agreement that is not remedied; (b) a material diminution in Mr. Faulkingham's duties, authority, and responsibilities other than changes (i) to which Mr. Faulkingham has consented or (ii) that have been eliminated or cured; or (c) the relocation without Mr. Faulkingham's consent of his principal place of employment more than sixty (60) miles from the Manager's Westport, Connecticut or Irvine, California locations.

CEO Pay Ratio

The Company does not reimburse the Manager for any compensation or other payments that it makes to our chief executive officer.

Mr. Faulkingham may be deemed to be the beneficial owner of approximately 4% of the allocation interests as he indirectly shares in approximately 4% of the proceeds of the allocation interests.

AUDIT COMMITTEE REPORT

Our audit committee is composed of three independent directors, all of whom are financially literate. In addition, the Board has determined that Mr. Ewing, an independent director and the chairman of the audit committee, qualifies as an audit committee financial expert as defined by the SEC. The audit committee operates under a written charter, which reflects the NYSE listing standards and Sarbanes Oxley Act of 2002, as amended, requirements regarding audit committees. A copy of the audit committee charter is available on the Company's website at www.compassdiversifiedholdings.com.

The audit committee's primary role is to assist the Board in fulfilling its responsibility for oversight of (1) the quality and integrity of the consolidated financial statements and related disclosures, (2) compliance with legal and regulatory requirements, (3) the independent auditor's qualifications, independence and performance, and (4) the performance of our internal audit and control functions.

The Company's management is responsible for the preparation of the financial statements, the financial reporting process and the system of internal controls. The independent auditors are responsible for performing an audit of the financial statements in accordance with auditing standards generally accepted in the United States and issuing an opinion as to the conformity of those audited financial statements to U.S. generally accepted accounting principles. The audit committee monitors and oversees these processes.

The audit committee has adopted a policy designed to ensure proper oversight of our independent auditor. Under the policy, the audit committee is directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing any other audit review (including resolution of disagreements among management, the Manager, and the auditor regarding financial reporting), or attestation services. In addition, the audit committee is responsible for pre-approving any non-audit services provided by the Company's independent auditors. The audit committee's charter also ensures that the independent auditor discusses with the audit committee important issues such as internal controls, critical accounting policies, any instances of fraud and the consistency and appropriateness of our accounting policies and practices.

The audit committee has reviewed and discussed with management and Grant Thornton LLP, the Company's independent auditor, the audited financial statements as of and for the year ended December 31, 2017. The audit committee has also discussed with Grant Thornton LLP the matters required to be discussed by Statement on Auditing Standards 1301. In addition, the audit committee has received from the independent auditor its written report required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committees Concerning Independence) and has discussed its independence from the Company and its management. The audit committee also considered whether the non-audit services provided by Grant Thornton LLP to us during 2017 were compatible with its independence as auditor.

Based on these reviews and discussions, the audit committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2017.

The Company is a party to a loan agreement with each of our subsidiaries pursuant to which the Company will make loans and financing commitments to each of our subsidiaries.

Management Services Agreement

The Company and our Manager are parties to the Management Services Agreement pursuant to which we pay our Manager a quarterly management fee equal to 0.5% (2.0% annualized) of the Company's adjusted net assets as of the last day of each fiscal quarter in respect of the services performed by our Manager. The management fee paid to our Manager is required to be paid prior to the payment of any distributions to shareholders. The management fee is offset by fees paid to our Manager by our businesses under management services agreements that our Manager entered into with, or was assigned with respect to, our businesses, which we refer to as offsetting management services agreements. We incurred approximately \$28.1 million of management fees under the Management Services Agreement during fiscal year 2017.

Offsetting Management Services Agreements

Our Manager has entered into and may, at any time in the future, enter into offsetting management services agreements directly with the businesses that we own relating to the performance by our Manager of offsetting management services for such businesses. All fees, if any, paid by the businesses that we own to our Manager pursuant to an offsetting management services agreement during any fiscal quarter offset, on a dollar-for-dollar basis, the management fee otherwise due and payable by the Company to our Manager under the Management Services Agreement for such fiscal quarter. The Manager is a party to offsetting management services agreements with all of the Company's subsidiaries. Offsetting management fees were approximately \$4.6 million during fiscal year 2017.

LLC Agreement

The Company has two types of equity interests: trust interests and allocation interests. The Trust is the sole owner of 100% of the trust interests of the Company. Pursuant to the LLC Agreement, the Trust owns an identical number of trust interests in the Company as exist for the number of outstanding shares of stock of the Trust. Sostratus LLC, who we refer to as the Allocation Member, owns 100% of the Company's allocation interests. The LLC Agreement sets forth the Allocation Member's rights with respect to its profit allocation interest among other things.

The Company will pay a profit allocation with respect to its businesses to the Allocation Member upon the occurrence of certain events, if the Company's profits with respect to a business exceed an annualized hurdle rate of 7%, which hurdle is tied to such business's adjusted net assets (as defined in the LLC Agreement) relative to the sum of all of our subsidiaries' adjusted net assets. The calculation of profit allocation with respect to a particular business will be based on:

- such business's contribution-based profit, which generally will be equal to such business's aggregate contribution to the Company's profit during the period such business is owned by the Company; and
- the Company's cumulative gains and losses to date.

Generally, a profit allocation will be paid in the event that the amount of profit allocation exceeds the annualized hurdle rate of 7% in the following manner: (i) 100% of the amount of profit allocation in excess of the hurdle rate of 7% but that is less than the hurdle rate of 8.75%, which amount is intended to provide the Allocation Member with an overall profit allocation of 20% once the hurdle rate of 7% has been surpassed; and (ii) 20% of the amount of profit allocation in excess of the hurdle rate of 8.75%. The Company's audit committee, which is comprised solely of independent directors, approves the calculation of any profit allocation payment to be made to the Allocation Member. Certain members of our Manager, including Mr. Sabo, Mr. Offenber, and Mr. Faulkingham, are entitled to receive a portion of the profit allocation payments paid to the Allocation Member as a result of their equity ownership in Sostratus LLC.

The Company paid to the Allocation Member approximately \$25.8 million in May 2017 in respect of Fox Factory Holding Corp.'s secondary offering. At December 31, 2016, we accrued a distribution payable to the Allocation Member of \$13.4 million related to our November 2016 sale of Fox Factory Holding Corp.'s shares. This distribution was paid in January 2017. The Company paid approximately \$8.6 million in May 2016 related to Fox Factory Holding Corp.'s secondary offering. The Company paid approximately \$8.2 million in August 2016 for the five-year Holding Event of Compass AC Holdings, Inc., which we refer to as ACI. The Company paid a net amount of approximately \$7.0 million in November 2016 related to Fox Factory Holding Corp.'s secondary offering and the sale of Anodyne Medical Device, Inc., which we refer to as Tridien. The Company paid a net amount of approximately \$14.6 million in November 2015 for the profit allocation due for the sales of CamelBak Products, LLC, which we refer to as CamelBak, and American Furniture Manufacturing, Inc., which we refer to as American Furniture. The Company paid approximately \$3.1 million in November 2015 for the five-year Holding Event of Ergo Baby Holding Corporation, which we refer to as Ergo.
